

RealPresence Desktop Installation & Sign In Guide for PC

Installation

Navigate to the following link to download and install RealPresence Desktop:

http://support.polycom.com/PolycomService/support/us/support/eula/rpd/RPDagreement_v3_6_win_trial.html

1. Click to accept the terms and conditions and then click the **Submit** button. Your download should begin immediately.

PLEASE NOTE VERSION UPGRADE REQUIREMENTS:

The applications available for download on this page are governed by the terms of an **End User License Agreement (EULA)**. By downloading, installing or using the applications on this page, you agree to comply with the applicable EULA terms and conditions.

I have read the RPD EULA and accept the terms and conditions of updated RPD EULA.

SUBMIT »

2. Click the download button, then click the **Run** button to begin installing RealPresence Desktop.

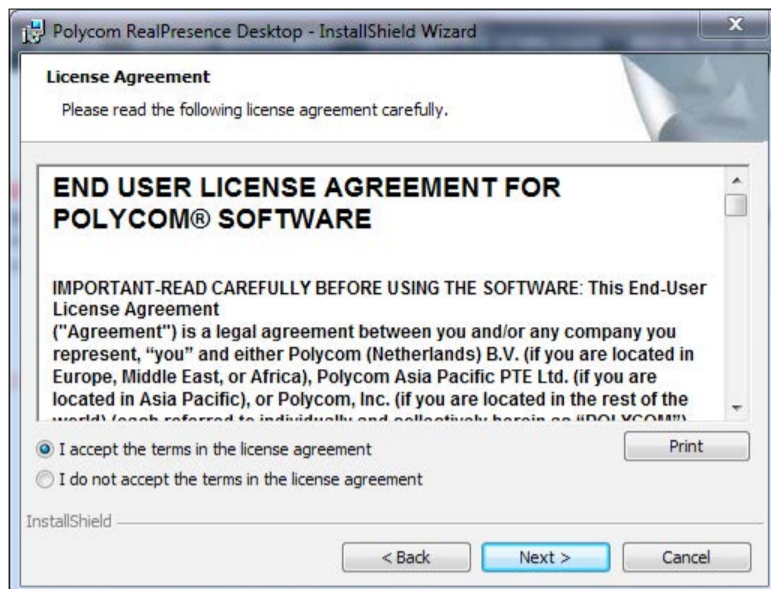

3. Select your language from the drop-down list and click the **OK** button.

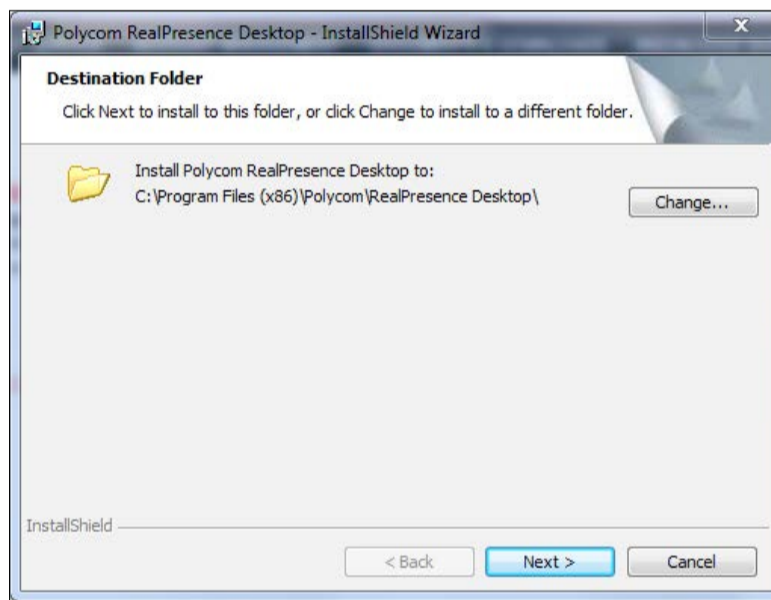

4. Click the **Next** button to continue the installation.

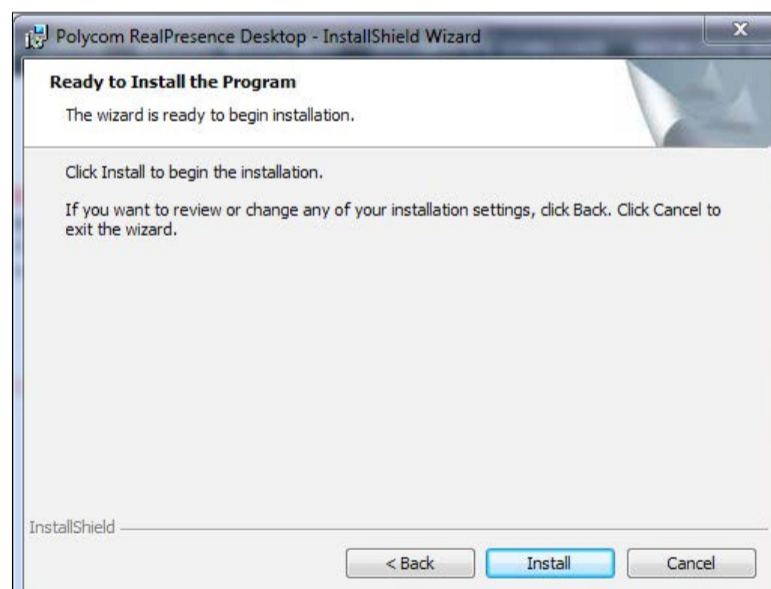

5. Click the **I accept the terms** radio button and click the **Next** button to continue.

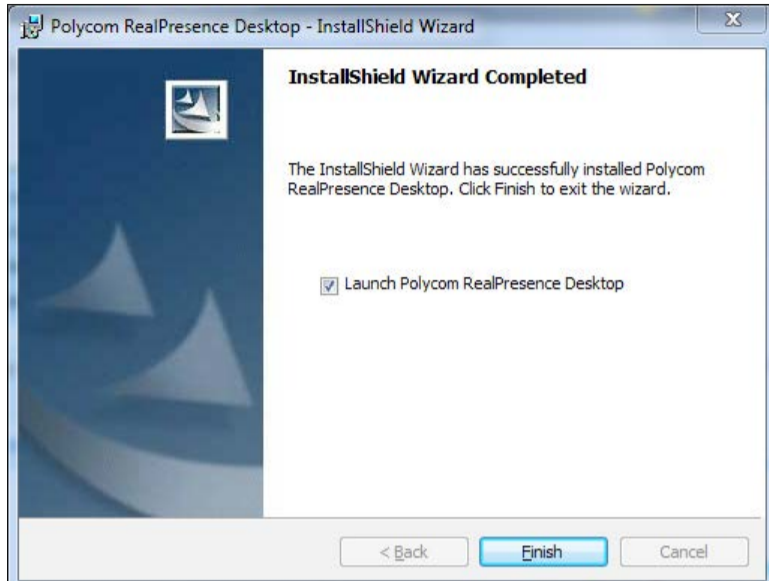

6. Click the **Next** button to accept the default directory path for installation.

7. Click the **Install** button to complete installation.

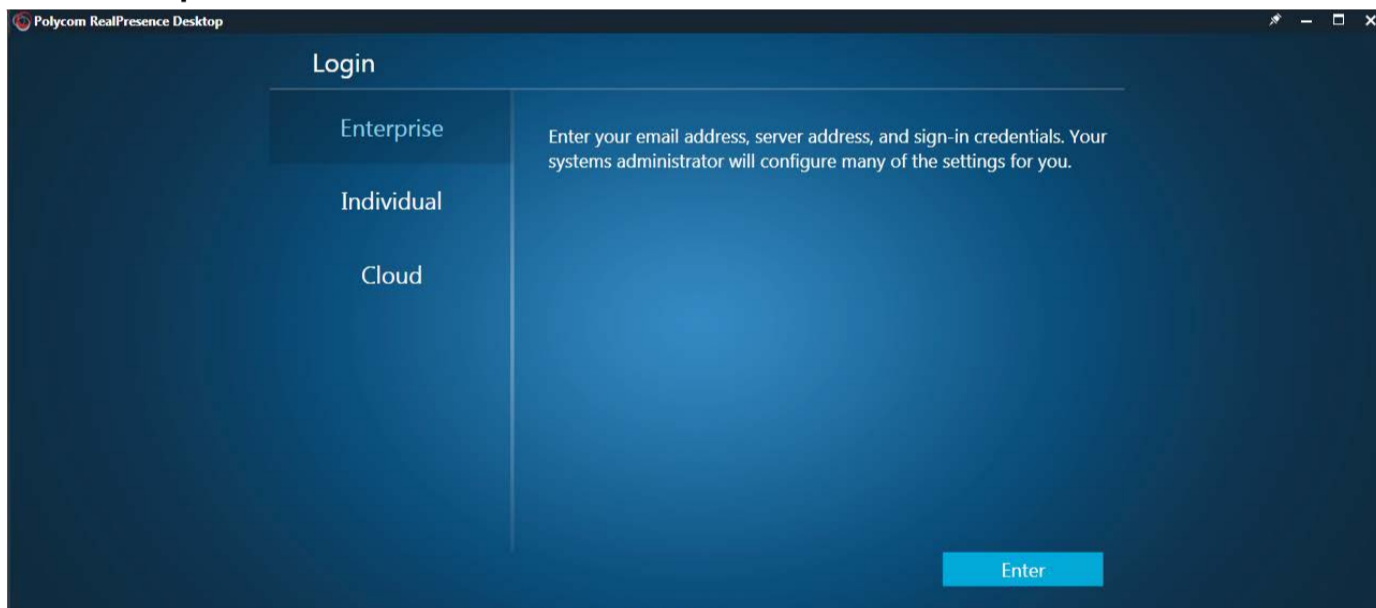

- Click the box beside **Launch Polycom RealPresence Desktop** and then click the **Finish** button. RealPresence Desktop will launch immediately.

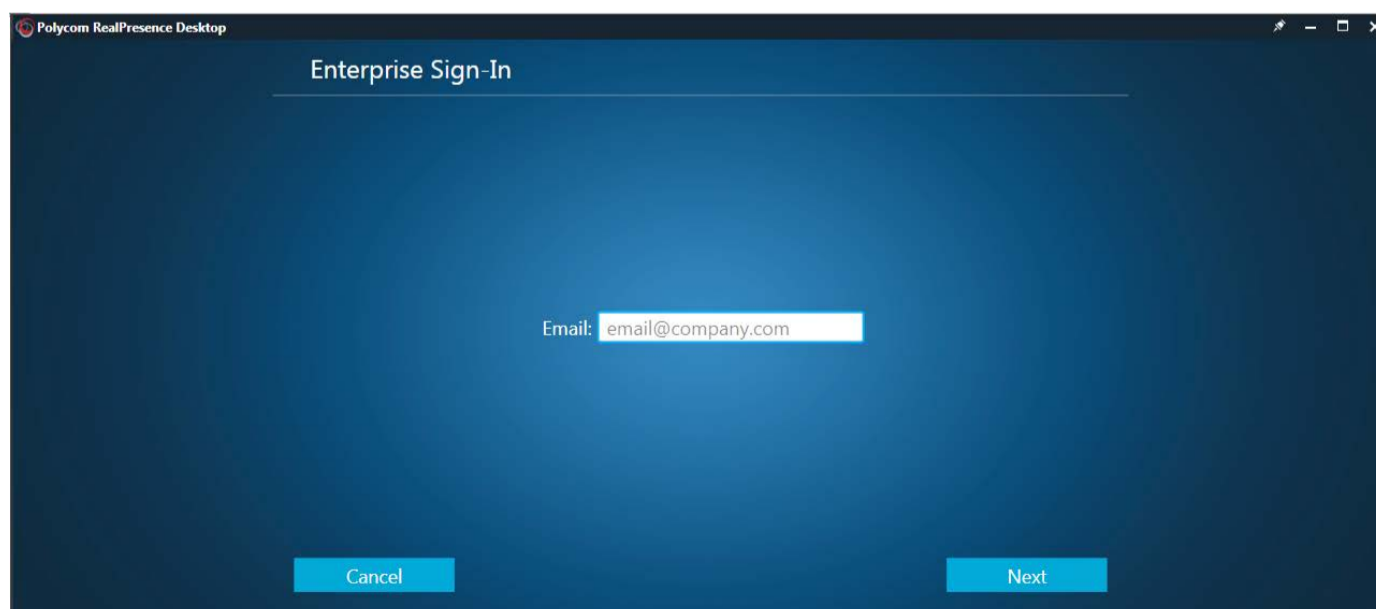

Sign in

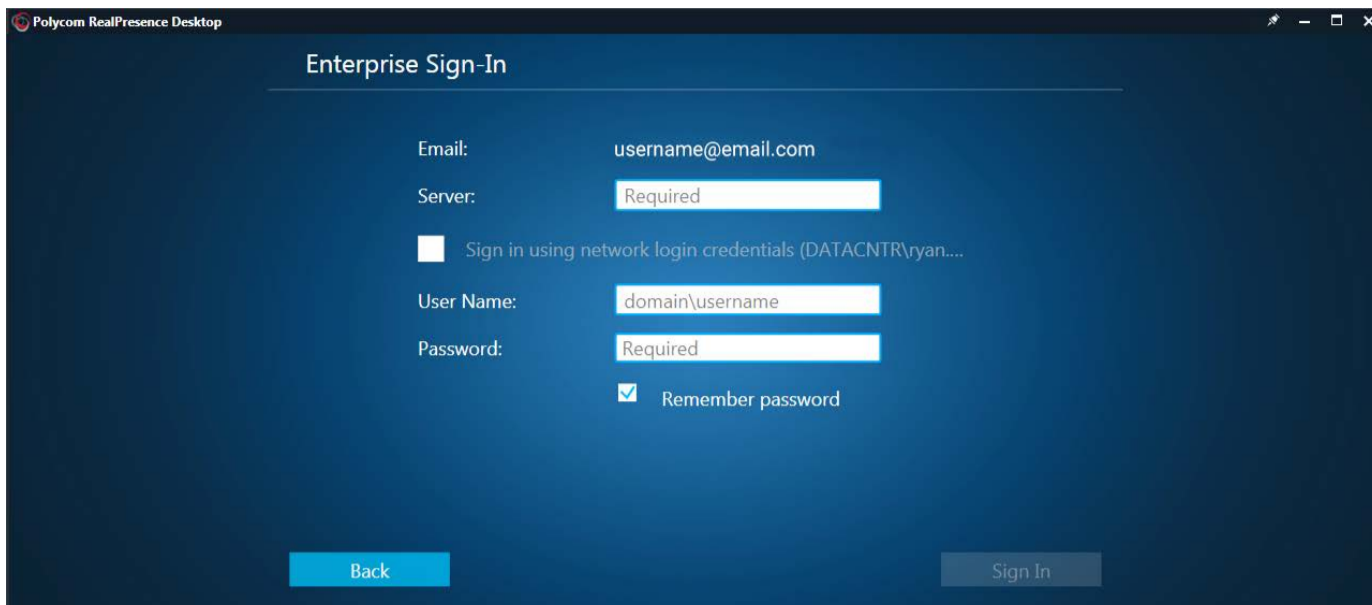

- Select **Enterprise** and click the **Enter** button.

- Enter your full email address and click the **Next** button.

3. Enter the credentials provided to you and click the **Sign In** button.

4. Click the **Place a Call** button to begin using RealPresence Desktop.

5. Access the corporate directory in the third tab above the number pad. You can select users already in the directory for point-to-point calls.

Dial SIP and H.323 calls with the information provided in your RP1 room instructions.
